Any such disclosure of PHI shall only be made in accordance with the terms of this Agreement, including Section 5(c) if to an agent or subcontractor of Business Associate, and only if Business Associate obtains reasonable written assurances from the person to whom the PHI is disclosed that: (1) the PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and (2) Business Associate will be notified by such person of any instances of which it becomes aware in which the confidentiality of the PHI has been breached.

a. As Provided in Agreement. Business Associate shall not use or further disclose Covered Entity's PHI other than as permitted or required by this Agreement or as Required by Law (as that term is defined by 45 C.F.R. § 164.103).

b. Disclosures Required By Law. Business Associate shall not, without prior written consent of Covered Entity, disclose any PHI on the possibility that such disclosure is required by law without notifying, to the extent legally permitted, Covered Entity so that the Covered Entity shall have an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such a disclosure, Business Associate, shall, to the extent permissible by law, refrain from disclosing the PHI until Covered Entity has exhausted all alternatives for relief. Business Associate shall require reasonable assurances from persons receiving PHI in accordance with Section 2(c) that such persons will provide Covered Entity with similar notice and opportunity to object before disclosing PHI when a disclosure is required by law.

c. Additional Restrictions. If Covered Entity notifies Business Associate that Covered Entity has agreed to be bound by additional restrictions on the uses or disclosures of Covered Entity's PHI pursuant to HIPAA or the HIPAA Regulations, Business Associate shall be bound by such additional restrictions and shall not disclose Covered Entity's PHI in violation of such additional restrictions to the extent possible consistent with Business Associate's obligations set forth in the Underlying Agreement.

d. Restrictions Pursuant to Subject's Request. If Business Associate has knowledge that an individual who is the subject of PHI in the custody and control of Business Associate has requested restrictions on the disclosure of PHI, Business Associate must comply with the requested restriction if (a) the Covered Entity agrees to abide by the restriction; or (b) the disclosure is to a health plan for purposes of carrying out payment or health care operations and the PHI pertains solely to a health care item or service for which Covered Entity has been paid out of pocket in full. If the use or disclosure of PHI in this Agreement is based upon an Individual's specific authorization for the use or disclosure of his or her PHI, and the Individual revokes such authorization, the effective date of such authorization has expired, or such authorization is found to be defective in any manner that renders it invalid, Business Associate shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual's PHI except to the extent it has relied on such use or disclosure, or if an exception under the Privacy Rule expressly applies.

e. Remuneration. Business Associate shall not directly or indirectly receive remuneration in exchange for disclosing PHI received from or on behalf of Covered Entity except as permitted by HITECH Act § 13405, the MRPA, and any implementing regulations that may be promulgated or revised from time to time.

4. Minimum Necessary. Business Associate shall limit its uses and disclosures of, and requests for, PHI, to the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request.

5. Additional Business Associate Obligations.

a. Safeguards. Business Associate shall use appropriate safeguards and comply with Subpart C of 45 C.F.R. 164 with respect to electronic PHI to prevent use or disclosure of the PHI other than as provided for by this Agreement. Business Associate shall implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any paper or electronic PHI it creates, receives, maintains, or transmits on behalf of Covered Entity.

b. To the extent the Business Associate is to carry out one or more of Covered Entity's obligation(s) under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to the Covered Entity in the performance of the obligations.

c. Business Associate's Agents and Subcontractors.

1) Business Associate shall ensure that any agents and subcontractors to whom it provides PHI agree to only create, receive, maintain or transmit PHI on behalf of the Business Associate under the same restrictions that apply to Business Associate. Such agreement between Business Associate and subcontractor or agent must be in writing and must comply with the terms of this Agreement and the requirements outlined at 45 C.F.R. §164.504(e)(2); 45 C.F.R. §164.502(e)(1)(ii); 45 C.F.R. §164.314; and 45 C.F.R. §164.308(b)(2). Additionally, Business Associate shall ensure agent or subcontractor agree to and implement reasonable and appropriate safeguards to protect PHI.

2) If Business Associate knows of a pattern of activity or practice of its subcontractor or agent that constitutes a material breach or violation of the agent or subcontractor's obligation under the contract or other arrangement, the Business Associate must take steps to cure the breach and end the violation and if such steps are not successful, must terminate the contract or arrangement if feasible. If it is not feasible to terminate the contract, Business Associate must promptly notify the Covered Entity.

d. Reporting. Business Associate shall, as soon as practicable but not more than five (5) business days after becoming aware of any successful security incident or use or disclosure of Covered Entity's PHI or Sensitive Personal Information in violation of this Agreement, report any such use or disclosure to Covered Entity. With the exception of law enforcement delays that satisfy the requirements under 45 C.F.R. § 164.412 or as otherwise required by applicable state law, Business

Associate shall notify Covered Entity in writing without unreasonable delay and in no case later than ten (10) calendar days upon discovery of a Breach of Unsecured PHI or Breach of Security System. Such notice must include, to the extent possible, the name of each individual whose Unsecured PHI or Sensitive Personal Information has been, or is reasonably believed by Business Associate to have been, accessed, acquired, or disclosed during such breach. Business Associate shall also provide, to the extent possible, Covered Entity with any other available information that Covered Entity is required to include in its notification to individuals under 45 C.F.R. § 164.404(c) and Section 521.053, Georgia Business & Commerce Code at the time of Business Associate's notification to Covered Entity or promptly thereafter as such information becomes available. For purposes of this Agreement, a Breach of Unsecured PHI or Breach of Security System shall be treated as discovered by Business Associate as of the first day on which such breach is known to Business Associate (including any person, other than the individual committing the breach, who is an employee, officer, or other agent of Business Associate, as determined in accordance with the federal common law of agency) or should reasonably have been known to Business Associate following the exercise of reasonable diligence.

e. Mitigation. Business Associate shall have procedures in place to mitigate, to the maximum extent practicable, any deleterious effect from any Use or Disclosure (as defined by 45 C.F.R. §160.103).

f. Sanctions. Business Associate shall apply appropriate sanctions in accordance with Business Associate's policies against any employee, subcontractor or agent who uses or discloses Covered Entity's PHI in violation of this Agreement or applicable law.

g. Covered Entity's Rights of Access and Inspection. From time to time upon reasonable notice, or upon a reasonable determination by Covered Entity that Business Associate has breached this Agreement, Covered Entity may inspect the facilities, systems, books and records of Business Associate related to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of Covered Entity or the safeguarding of such PHI to monitor compliance with this Agreement. Business Associate shall document and keep current such security measures and safeguards and make them available to Covered Entity for inspection upon reasonable request including summaries of any internal or external assessments Business Associate performed related to such security controls and safeguards. The fact that Covered Entity inspects, or fails to inspect, or has the right to inspect, Business Associate's facilities, systems and procedures does not relieve Business Associate of its responsibility to comply with this Agreement, nor does Covered Entity's (1) failure to detect or (2) detection but failure to require Business Associate's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of Covered Entity's enforcement or termination rights under this Agreement. This Section shall survive termination of this Agreement.

h. United States Department of Health and Human Services. Business Associate shall make its internal practices, books and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on

behalf of, Covered Entity available to the Secretary of the United States Department of Health and Human Services for purposes of determining Covered Entity's compliance with HIPAA and the HIPAA regulations, provided that Business Associate shall promptly notify Covered Entity upon receipt by Business Associate of any such request for access by the Secretary of the United States Department of Health and Human Services, and shall provide Covered Entity with a copy thereof as well as a copy of all materials disclosed pursuant thereto, unless otherwise prohibited by law.

i. Training. Business Associate shall provide such training in the privacy and security of PHI to its Workforce (as that term is defined by 45 C.F.R. § 160.103) as is required for Business Associate's compliance with HIPAA, HIPAA Regulations, HITECH, and the MRPA.

6. Obligation to Provide Access, Amendment and Accounting of PHI.

a. Access to PHI. Business Associate shall make available to Covered Entity, in the time and manner designated by the Covered Entity, such information as necessary to allow Covered Entity to meet its obligations under the HIPAA Regulations, PHI contained in a Designated Record Set held by Business Associate as Covered Entity may require to fulfill Covered Entity's obligations to provide access to, and copies of, PHI in accordance with HIPAA and the HIPAA Regulations and MRPA. b. Amendment of PHI. Business Associate shall make available to Covered Entity PHI contained in a Designated Record Set held by Business Associate as Covered Entity may require to fulfill Covered Entity's obligations to amend PHI in accordance with HIPAA and the HIPAA Regulations. In addition, Business Associate shall, as directed by Covered Entity, incorporate any amendments to Covered Entity's PHI into copies of such information maintained by Business Associate. In the event that any individual requests amendment of PHI directly from Business Associate, Business Associate shall forward such request to Covered Entity within five (5) business days.

c. Accounting of Disclosures of PHI.

1) Record of Disclosures. Business Associate shall maintain a record of all disclosures of PHI received from, or created or received by Business Associate on behalf of, Covered Entity, except for those disclosures identified in Section 6(c)(2) below, including the date of the disclosure, the name and, if known, the address of the recipient of the PHI, a brief description of the PHI disclosed, and the purpose of the disclosure which includes an explanation of the reason for such disclosure. Business Associate shall make this record available to Covered Entity upon Covered Entity's request. If Business Associate maintains records in electronic form, Business Associate shall account for all disclosures made during the period of three (3) years preceding the request. In the event that any individual requests an accounting of

disclosures of PHI directly from Business Associate, Business Associate shall notify Covered Entity within five (5) business days that such request has been made and provide Covered Entity with a record of disclosures within ten (10) days of an individual's request. If the request from an individual comes directly to Covered Entity and Covered Entity notifies Business Associate that it requires information from Business Associate in order to respond to the individual, Business Associate shall make available to Covered Entity such information as Covered Entity may require within ten (10) days from the time of request by Covered Entity.

2) Certain Disclosures Need Not Be Recorded. The following disclosures need not be recorded:

- a) disclosures to carry out Covered Entity's treatment, payment and health care operations as defined under the HIPAA Regulations;
- b) disclosures to individuals of PHI about them as provided by the HIPAA Regulations;

- 2) immediately terminate this Agreement and the Underlying Agreement if cure is not possible.

d. Injunctions. Covered Entity and Business Associate agree that any violation of the provisions of this Agreement may cause irreparable harm to Covered Entity. Accordingly, in addition to any other remedies available to Covered Entity at law or in equity, Covered Entity shall be entitled to seek an injunction or other decree of specific performance with respect to any violation of this Agreement or explicit threat thereof, without any bond or other security being required and without the necessity of demonstrating actual damages.

e. Indemnification. This indemnification provision is enforceable against the Parties only to the extent authorized under the constitution and laws of the State of Georgia. The Parties will indemnify, defend and hold harmless each other and each other's respective employees, directors, officers, subcontractors, agents or other members of its workforce, each of the foregoing hereinafter referred to as "indemnified party," against all actual and direct losses suffered by the indemnified party and all liability to third parties arising from or in connection with any breach of this Agreement or of any warranty hereunder or from any negligence or wrongful acts or omissions, including failure to perform its obligations under MRPA, HIPAA, the HIPAA Regulations, and the HITECH Act by the indemnifying party or its employees, directors, officers, subcontractors, agents or other members of its workforce.

Covered Entity and Business Associate agree to enter into good faith negotiations to amend this Agreement to come into compliance with changes in state and federal laws and regulations relating to the privacy, security and confidentiality of PHI. Covered Entity may terminate this Agreement upon thirty (30) days written notice in the event that Business Associate does not promptly enter into an amendment that Covered Entity, in its sole discretion, deems sufficient to ensure that Covered Entity will be able to comply with such laws and regulations.
